

The Kentucky Historical Society and Grayson County High School hosted the National History Day in Kentucky Regional Contest on Thursday, March 27. We welcomed almost 20 students from Grayson County High School for this fourth regional contest of the NHDKy season. The students and their projects listed below qualified for the opportunity to compete at the National History Day in Kentucky State Contest at the University of Kentucky on April 27.

Students presented their exhibits, documentaries, websites, performances, and papers featuring topics related to this year's national theme, "Triumph and Tragedy." Each student or group showed their project to a panel of judges who determined which projects would qualify for the NHDKy State Contest. The top 1/3 of projects in each category advances to the NHDKy State Contest.
